Find the right candidates

We have been helping companies reach expats since 2000. We are experts at bringing international professionals and expat employers together - a great way we do so is through our Job Fairs for Internationals.

- More than 1,000 visitors and 30 exhibitors
- Presentations and workshops by guest speakers from various industries
- Exhibitors focus on sectors like: High Tech / IT, Finance and International Business, Marketing / Media, Life Sciences and Health, Energy and Industry, Hospitality and Tourism
- Interview candidates on the spot
- Recruit highly-educated multilingual candidates in the Netherlands
- Our media partner Expatica's multi-channel marketing attracts thousands of expats and international candidates to the Job Fairs for Internationals
- Showcase your organisation and recruit new employees
- CV scanners enable you to view and assess information from potential candidates. (Visitors receive access to a personalised Job Fair page, enabling them to upload their profile and CV - only spring edition)
- Free vacancies on the Fairs Job Board.
